Feels like a dream
I guess it's been a little while
Seems just yesterday
We were watchin' the sky
Sayin' anything's possible
Sayin' were gonna fly
Look at what we've built
Look at what we've become
I'm so proud
But I can't exactly say we've won
I saw you in my future back in the day
But now your gone

I need to un lo-o-o-o-o-o-o-ove you
But I-I-I-I-I don't know how to
I need somethin' else
Cuz I don't have the will
I need to un wa-a-a-a-a-a-a-ant you
But I-I-I-I-I can't undo
What you did to me
And I don't have the will
I need an unlove pill
I need an unlove pill

What you did was really bad
I know I was the best you ever had
She didn't give you any choice at all

So I can't say it was your fault
You still call me once in a while
I don't pick up cuz I get so high
Then we hang up
And I come back down to life

I need to un lo-o-o-o-o-o-o-ove you
But I-I-I-I-I don't know how to
I need somethin' else
Cuz I don't have the will
I need to un wa-a-a-a-a-a-a-ant you
But I-I-I-I-I can't undo
What you did to me
And I don't have the will

I need an unlove pill
I need an unlove pill

All I wanna do is pop 'til it stops baby
Just pop til it stops baby
Pop, pop til it stops baby, baby, b-baby
I need an unlove pill to unlove you
I need an unlove pill to unlove you
I need an unlove pill to unlove you
I need an unlove pill
