Ho love of mine..  
with a song and a wine..  
You're harsh and divine..  
like truths and a lie..  
but the tale ends not here..  
I've nothing to fear..  
for my love is yell of giving an hold onâ€¦!

in the bright emptiness..  
in the room full of it..  
is a cruel mistress ho ho oâ€¦!  
I feel the sunrise..  
that nest all hollowness..  
or i have the way to go in that coldâ€¦!

And i feel so lonely yea..  
There s a better place from this emptiness..  
And i'm so lonely yea..  
There s a better place from this emptiness..

yei yei yei yaâ€¦!  
Aa.. aa.. aaâ€¦!..

Tune mere jaana..  
Kabhi nahi jana..  
Ishq mera dard mera.. haayeâ€¦!  
Tune mere jaana..  
Kabhi nahi jana..  
Ishq mera dard mera â€¦!

Aashiq teraaa..  
Bheed mein khoya rehta hai.  
Jaane jahaan a..  
Puchho toh itna kehta hai..

And i feel so lonely yea..  
There s a better place from this emptiness..  
And i'm so lonely yea..

"This is Rohan Rathore's song. He was an IIT Guwahati student, was suffering from cancerâ€¦!and loved a girl. This song is dedicated to her. And he died fifteen days after the recording."
