[Originally by Natalie Imbruglia]

I thought I saw a man brought to life
He was warm, he came around like he was dignified
He showed me what it was to cry
Well you couldn't be that man I adored
You don't seem to know, don't seem to care what your
heart is for
But I don't know him anymore
There's nothing where he used to lie
My conversation has run dry
That's what's going on, nothings fine Im torn

Im all out of faith, this is how I feel
Im cold and I am shamed lying naked on the floor
Illusion never changed into something real
Im wide awake and I can see the perfect sky is torn
Youre a little late, Im already torn

So I guess the fortune tellers right
Should have seen just what was there and not some
holy light
To crawl beneath my veins and now
I don't care, I have no luck, I don't miss it all that much
There's just so many things that I can't touch, Im torn

Im all out of faith, this is how I feel
Im cold and I am shamed lying naked on the floor
Illusion never changed into something real
Im wide awake and I can see the perfect sky is torn
Youre a little late, Im already torn. torn.

There's nothing where he used to lie
My inspiration has run dry
That's what's going on, nothings right, Im torn

Im all out of faith, this is how I feel
Im cold and I am shamed lying naked on the floor
Illusion never changed into something real
Im wide awake and I can see the perfect sky is torn
Im all out of faith, this is how I feel
Im cold and Im ashamed bound and broken on the

floor
Youre a little late, Im already torn
