[Chants 9x]

The path that I walk is out of time...
Oh, did you know I was born to shine?
The path that I climb is out of time...
Oh, did you know that I was born to shine?

She walks all through her life
And dreams of all that she likes.
And doesn't care where it ends.
She's only lookin' for friends...
She takes her time down her path,
And doesn't cry, now she laughs.
And thinks of all they could be,
But sometimes she can't see.
I'm bloody, not broken...
You cut me deeply,
But I'm still standing, told me
No one would understand me.
Was too strange to be... anything
More than just a freak, not a
Pawn they pestered me...
I felt torn because the friends I made more

Didn't look like me...

I never did want much
Of those material things...
'Cause I'm so fine,
The stage is mine!
Sticks and stones may break my bones
But words may... only hurt me.

I'll ride alone, I've got my own
If you choose to desert me...!

But you don't have to go....

The path that I walk is out of time...
Oh, did you know I was born to shine?

The path that I climb is out of time...
Oh, did you know that I was born to shine?
