Anybody ever been told that they were a miracle?
A missing child or running wild?
Momma told me about my daddy when I was a few
years old...
He was gone and had a home,
Far away enough for him to have another family.
Single moms, they bare it all.
Nobody else to call,
All alone cause she wanted me more...

And I have a dream
For you and me, yeah...
I have a dream
For you and me, yeah...

Dreamers often do pretend
Here I might have never been...
Had I made the right choice?
And followed my first mind...
But now Im so behind,
Can I begin again?
Can I make a difference?
Be another version of me?
If I keep on reinventing
Will it cause you to cling?
Or will you walk away?
Cause I really want you to stay...
And keep on dreaming!

And I have a dream
For you and me, yeah...

I have a dream
For you and me, yeah...

And I have a dream
[And Ive to keep on dreaming]
For you and me, yeah...
I have a dream
[For you and me yeah...]
For you and me, yeah...

[Chants 4x]

Ive gotta...
Gotta keep on...
I was a dream!

And I have a dream
[I can be anything] For you and me, yeah...
[All I gotta do is keep on dreaming] I have a dream
For you and me, yeah...

And I have a dream
For you and me, yeah...
[Ive got it, I have a dream] I have a dream

For you and me, yeah...
