Tripping on the memories.
Time is oh-so-fleeting
It got away from me.

And lately,
Life seems upside down.
Theres heartbreak all around
And the pain is hard to bare.
Why are you no longer here?

I remember you!
Cause I remember you!

I remember you!
Because I remember you!

So what can I do?
When smiling just dont work?
They still see the hurt
In my eyes, its so wrong
You belong here by my side!
Damn, those cowards playing God,
Its so senseless that youre gone...
So when I am all alone,

I remember you!

I remember you!
Because I remember you!

I remember you!
Because I remember you!

I remember all the times,
How could I forget the best times?

[I remember you!] All the time we spent?
Because I remember!

All the good times, all the love
[I remember you!]
Because I remember you!

All in my heart, all the love
Love!
