Old boy Jack,
He knows just where the party is at.
I am talking good times that care,
Free kind is hard to find.
Call Jamie
And Johnny is coming too.
Mark is a maker,
Watch out for those jewels!

Because when you go party with the whiskey boys,
You are cool, let us party!
Might as well see this as drinking school!
Let us party!

Last night Jack kissed me
And Jamie layed me down.
Johnny got jealous
He went looking for something to pound.
Do not hate me!
We are still having fun!
Whiskey goes crazy I have got room for everyone!

Because when you go party with the whiskey boys,
You are cool, let us party!

Might as well see this as drinking school!
Let us party!
Go party with the whiskey boys,
You are cool, let us party!
Might as well see this as drinking school!
Let us party!

Because when you go party with the whiskey boys,
You are cool, let us party!
Might as well see this as drinking school!
Let us party!

Because when you go party with the whiskey boys,
You are cool, let us party!
Might as well see this as drinking school!
Let us party!
Go party with the whiskey boys,

You are cool, let us party!
Might as well see this as drinking school!

Let us party!
