Old boy Jack,
He knows just where the party's at.
I'm talkin' good times that care,
Free kind is hard to find.
Call Jamie
and Johnny's comin' too.
Mark is a maker,
Watch out for those jewels!

'Cause when you go party with the whiskey boys
You're cool, let's party!
Might as well see this as drinkin' school!
Let's party!

Last night Jack kissed me
And Jamie layed me down.
Johnny got jealous
He went lookin' for something to pound...
Don't hate me!
We're still havin' fun!
Whiskey goes crazy I've got room for everyone!

'Cause when you go party with the whiskey boys,
You're cool, let's party!

Might as well see this as drinkin' school!
Let's party!
Go party with the whiskey boys,
You're cool, let's party!
Might as well see this as drinkin' school!
Let's party!

'Cause when you go party with the whiskey boys,
You're cool, let's party!
Might as well see this as drinkin' school!
Let's party!

'Cause when you go party with the whiskey boys,
You're cool, let's party!
Might as well see this as drinkin' school!
Let's party!
Go party with the whiskey boys,

You're cool, let's party!
Might as well see this as drinkin' school!

Let's party!
