"Long Boat Pass"

Darling you know I love you, I love you
Oh, oh, oh, oh!
I'll stay if you ask me to, ask me to
Oh, oh, oh, oh!
We spent the night out
It drains the confidence out of me,
So little shore boats to accept,
So sailor you had better be good

Darling you know I love you, I love you
Oh, oh, oh, oh!
I'll stay if you ask me to, ask me to
Oh, oh, oh, oh!
Standing there lookin' so sweet
Tell me...
Oh, oh, oh, oh,

...
Imagine me not aground
You know that I will never forget
The days we spend could have
Long boat pass, long boat pass
Let me through is all I ask
Long boat pass, long boat pass,
Let me through is all I ask
Please let me through
We must return to sea

We'll ...
The waves crash...
Oh, oh, oh, oh!
