Her tears are never ending\*  
You wanna run but stop pretending  
Na na na na na a girl like you  
Do you think is it normal  
To go through life oh so formal  
Na na na na na a girl like you

Weekends are never fun unless you're around here too

And all the stars aligned  
And all the dreams on my side  
Na na na na na a girl like you  
Took a fall so i fell down  
Never wanna see you hit the  
Na na na na na a girl like you

Weekends are never fun unless you're around here too
