There  
Out in the darkness  
A fugitive running  
Fallen from God  
Fallen from grace  
God be my witness  
I never shall yield  
'Til we come face to face  
'Til we come face to face.

He knows his way in the dark  
Mine is the way of the law  
Those who follow the path of the righteous  
Shall have their reward  
And if they fall as Lucifer fell,  
The flames, the sword!

Stars  
In your multitudes  
Scarce to be counted  
Filling the darkness  
With order and light  
You are the sentinels  
Silent and sure  
Keeping watch in the night  
Keeping watch in the night.

You know your place in the sky  
You hold your course and your aim  
And each in your season returns and returns  
And is always the same  
And if you fall as Lucifer fell  
You fall in flame!

And so it must be, for so it is written  
On the doorway to Paradise  
That those who falter and those who fall  
Must pay the price.

Lord let me find him  
That I may see him  
Safe behind bars!

I will never rest  
'Til then! This I swear  
This I swear by the stars.
