Here wo go yeah here we go go again
Nothing's changed it's the same game different day
You're just a boy just a boy just another boy
You're playin' innocent but I ain't byin it

No (oh no) oh no (oh no) OH NOOOO! (oh nooo)

You dream of ways to get inside my head
You're tryin' hard but you better try harder
I am not so easily impressed
You think you're smart but I guarantee I'm smarter
So don't make a sound if you want me around
You gotta keep both feet on the ground
If you really want me I dare you
to be original

So there you go yeah there you go go again
Don't you know but you just won't go away
I'm just a girl just a girl just another girl
I may be innocent but I ain't byin it

No (oh no) oh no (oh no) OH NOOOO! (oh nooo)

You dream of ways to get inside my head
You're tryin' hard but you better try harder

I am not so easily impressed

You think you're smart but I guarantee I'm smarter
; don't make a sound if you want me around
You gotta keep both feet on the ground
If you really want me I dare you
to be original

I dare you I dare you I dare you to get over me
I dare you I dare you I dare you to get over me
'Till then dream on dream on

You dream of ways to get inside my head
I am not so easily impressed

You dream of ways to get inside my head

You're tryin' hard but you better try harder
I am not so easily impressed
You think you're smart but I guarantee I'm smarter
So don't make a sound if you want me around
You gotta keep both feet on the ground
If you really want me I dare you
If you really want me I dare you
If you really want me I dare you
to be original
