I been here before
recognize the signs.
What you goin for
with your preplanned lies?
I want nothing more
than your heart; stay whole.
And if this is what you are
then stop to breathe.
oh love will come and go
like autumn leaves.

You'll pull on the rope
and allow my slack.
Brought us to a point
and we can't go back.
I'm a man you know has a plan
before you say this is what you want
stop to breathe.
oh love will come and go
like autumn leaves

and if this is what you want
then stop to breathe.
Oh love will come and go
like autumn leaves.

In this engine bars
blind decisions scar,
and if this is what you want
stop to breathe.
Oh love will come and go
like autumn leaves
and if this is what you want
then stop to breathe.

oh love will come and go
like autumn leaves
