Who saw it comin like a theif in the night?  
It was already started when the morning struck light.  
Two people tryin to make sense of the world  
in a burst of emotion between a boy and his girl.  
Love can start a bonfire blazing.  
We can only give in to the thrill.

Believe me now, girl,  
I'm easily broken, easily broken.  
Don't let me down, girl,  
I'm easily broken, easily broken.

Life is adventure when you're hit with surprise.  
It'll look unexpected from an admirer's eyes.  
You have the keys but you don't know where they are.  
Two hands that are shaking and you can't stop the car.  
No one ever said it'd be easy.  
No one ever said we'd get this far.

Believe me now, girl,  
I'm easily broken, easily broken.  
Don't let me down, girl,

I'm easily broken, easily broken.

We took one look and went rushin in.  
I'd give so much to have you back again.  
To have you back again.  
I fell apart,  
I was easily broken, easily broken  
I lost my heart,  
it was easily broken, so easily broken

Believe me now, girl,  
I'm easily broken, easily broken.  
Don't let me down, girl,  
I'm easily broken, easily broken.

Believe me now (easily broken, easily broken)  
So let me down (easily broken, easily broken)  
who saw it comin like a theif in the night?  
It was already started when the morning struck light.
