I can't count the times that I  
misunderstand things that you said  
I shouldn't get wrong.

You promised we'd see this through,  
but some things have changed.  
We're not the same.  
Do you belong?

We'll keep the lines open  
so both of us know when  
it's time to move on with our lives.

We're better off knowing  
where romance is going.  
We'll keep the lines open tonight.

We were caught up in fantasy,  
blinded by love,  
ignorant of the problems around.

It's time to get over this.  
Faced with the truth,  
what would you do?  
Swim or go down?

We'll keep the lines open  
so both of us know when  
it's time to move on with our lives.

We're better off knowing  
where romance is going.  
We'll keep the lines open tonight.

We'll keep the lines open tonight.  
Yeah.

I'm always here,  
don't be afraid.  
It's only instinct to hide from the rain.

If we speak our minds

before it's too late  
we'll save ourselves from the worst of the pain.

We'll keep the lines open  
so both of us know when  
it's time to move on with our lives.

We're better off knowing  
where romance is going.  
We'll keep the lines open tonight.

We'll keep the lines open  
so both of us know when  
it's time to move on with our lives.

We're better off knowing  
where romance is going.  
We'll keep the lines open tonight.  
We'll keep the lines open tonight.

Yeah
