How can I convince you  
what you see is real?  
Who am I to blame you  
for doubting what you feel?  
I was always reaching,  
you were just a girl I knew.  
I took for granted  
the friend I have in you.

I was living for a dream,  
loving for a moment.  
Taking on the world,  
that was just my style.  
Now I look into your eyes,  
I can see forever.  
The search is over,  
you were with me all the while.

Can we last forever  
when we fall apart?  
At times it's so confusing,  
the questions of the heart.  
You followed me through changes  
and patiently you'd wait  
til I came to my senses  
through some miracle of fate.

I was living for a dream,  
loving for a moment.  
Taking on the world,  
that was just my style.  
Now I look into your eyes,

I can see forever.  
The search is over,  
you were with me all the while.

Now the miles stretch out behind me,  
loves that I had lost,  
broken hearts lie victims of the game.  
Then good luck finally struck  
like lightning from the blue.

Every highway is leading me back to you.

Now at last i hold you,  
all is said and done.  
The search has come full circle,  
our destiny's are one.  
So if you ever loved me  
show me that you even care.  
You'll know for certain  
the man I really am.

I was living for a dream,  
loving for a moment.  
Taking on the world,  
that was just my style.  
Now I look into your eyes,  
I can see forever.  
The search is over,  
love was right before my eyes.
