Breathe

I breathe you in, breathe you out

Bring me in, bring me down

And I see what you are to me

So please

Just let me be me

But you won't set me free

Cuz' you're all that I need

You're like cigarettes, giving me cancer

Quitting you, well that's the answer

But I just can't stop

Cuz' it feels so damn good

You're like cigarettes that I've been smoking

Wasting time, wishing, dreaming, hoping

But I just can't stop

Cuz' it feels so damn good

Breathe, breathe, breathe, breathe

Addiction

If you would just take the time and listen

Take the time that you've been given

Grab life by the horns and live it

But you're stopping me

Cuz' you're like cigarettes, giving me cancer

Quitting you, well that's the answer

But I just can't stop

Cuz' it feels so damn good

You're like cigarettes that I've been smoking

Wasting time, wishing, dreaming, hoping

But I just can't stop

Cuz' it feels so damn good

Breathe, breathe, breathe, breathe

Breathe

I breathe you in, breathe you out

And you're bringing me down

Like cigarettes, giving me cancer

Quitting you, well that's the answer

But I just can't stop  
Cuz' it feels so damn good  
You're like cigarettes that I've been smoking  
Wasting time, wishing, dreaming, hoping  
But I just can't stop  
Cuz' it feels so damn good  
Breathe, breathe, breathe, breathe  
Breathe, breathe, breathe, breathe
