Cities built on battlefields and
Shopping malls from meadows
Rivers redirected there's no red, green, blues or
yellows
Take a little time to find a better place away from all
the noise and
The drinking
We could run away
Find a better day
Not watching while the ship is sinking

Do you wanna hide inside your house?
Do you wanna hide inside your house?
Do you have a TV in your house?
Do you wanna hide inside?

Ohhhh please just run away with me
Ohhhh please just give me fields and trees
Ohhhh ple-here we can find all we need
Ohhhh please just give me fields and trees

The animals have gone away
Have disapeared forever
While humans build machines and start to think they're
oh so clever
Take a little time to find a better place away from all
the noise and
The drinking
We could run away find a better day
Not watching while the ship is sinking

Do you wanna hide inside your house?
Do you wanna hide inside your house?
Do you have a TV in your house?
Do you wanna hide inside

Ohhhh please just run away with me
Ohhhh please just give me fields and trees
Ohhhh ple- here we can find all we need
Ohhhh please just give me fields and trees

Please just run away with me

Ohhhh please just give me fields and trees
Ohhhh ple- here we can find all we need
Ohhhh please just give me fields and trees

Ohhhh please just run away with me
Ohhhh please just give me fields and trees
Ohhhh ple-here we can find all we need
Ohhhh please just give me fields and trees
