Every time
I close my eyes
It's you
And I know now
Who I am

Yea yea yea
And I know now

There's a place I go
When I'm alone
Do anything I want
Be anyone I wanna be
But it is us I see
And I cannot believe I'm fallin
That's where I'm goin
Where are you goin
Hold it close won't let this go

Dream catch me, yea
Dream catch me when I fall
Or else I won't come back at all

You do so much
That you don't know
It's true
And I know now
Who I am

Yea yea yea
And I know now

There's a place I go
When I'm alone
Do anything I want
Be anyone I wanna be
But it is us I see
And I cannot believe I'm fallin
That's where I'm goin
Where are you goin
Hold it close won't let this go

Dream catch me, yea
Dream catch me when I fall
Or else I won't come back at all

See you as a mountain
A fountain of God
See you as as a descant soul
In the setting sun
You as the sound
As the just as silent as none

I'm yours

There's a place I go
When I'm alone
Do anything I want
Be anyone I wanna be
But it is us I see
And I cannot believe I'm fallin

There's a place I go
When I'm alone
Do anything I want
Be anyone I wanna be
But it is us I see
And I cannot believe I'm fallin
That's where I'm goin
Where are you goin
Hold it close won't let this go

Dream catch me, yea
Dream catch me when I fall
Or else I won't come back at all
