we just fight to apologise,  
we break up and then change our minds,  
but it's alright,  
i don't mind at all,  
i don't mind at all  
disagree, then we compromise,  
tooth and nail over truth and lies,  
but it's alright,  
i don't mind at all,  
i don't mind at all  
it's no sin to shed your thick skin,  
throw it in the bin,  
show me who you really are,  
do the same to hell with the games,  
why don't we both just open up  
we make it so hard,  
when it's so simple underneath,  
if we just stroll on,  
the ground is right beneath our feet,  
it's taken, it's taken so long,  
oh it's been like pulling teeth  
i got it wrong,  
said i'm pushing back,  
i'll pull you into me  
spoken question, a screamed reply,  
compliment then we criticise,  
but it's alright,  
i don't mind at all,  
i don't mind at all  
it's no sin to shed your thick skin,  
throw it in the bin,  
show me who you really are,  
do the same to hell with the games,  
why don't we both just open up  
we make it so hard,  
when it's so simple underneath,  
if we just stroll on,  
the ground is right beneath our feet,  
it's taken, it's taken so long,  
oh it's been like pulling teeth  
i got it wrong,  
said i'm pushing back,

i'll pull you into me  
running out of hope,  
running out of time,  
don't you dare let go,  
when it gets a little hard,  
looks like no one's home,  
see you hiding in the dark,  
cause your heart is glowing  
we make it so hard,  
when it's so simple underneath,  
if we just stroll on,  
the ground is right beneath our feet,  
it's taken, it's taken so long,  
oh it's been like pulling teeth  
i got it wrong,  
said i'm pushing back,  
i'll pull you into me  
so long,  
it's taken, it's taken so long,  
it's been like pulling teeth,  
i got it wrong,  
said i'm pushing back  
i'll pull you into me,  
i'll pull you into me,  
i'll pull you into me,  
i'll pull you into me
