Turn around,
Every now and then I get a little bit lonely and you're
never coming 'round
Turn around,
Every now and then I get a little bit tired of listening to
the sound of my tears
Turn around,
Every now and then I get a little bit nervous that the
best of all the years have gone by
Turn around,
Every now and then I get a little bit terrified and then I
see the look in your eyes.
Turn around, bright eyes, every now and then I fall
apart
Turn around, bright eyes, every now and then I fall
apart

Turn around,
Every now and then I get a little bit restless and I dream
of something wild
Turn around,
Every now and then I get a little bit helpless and I'm
lying like a child in your arms
Turn around,
Every now and then I get a little bit angry and I know
I've got to get out and cry
Turn around,
Every now and then I get a little bit terrified but then I
see the look in you eyes
Turn around bright eyes, every now and then I fall
apart
Turn around bright eyes, every now and then I fall
apart

And I need you now tonight
And I need you more than ever
And if you'll only hold me tight
We'll be holding on forever
And we'll only be making it right
Cause we'll never be wrong
Together we can take it to the end of the line

Your love is like a shadow on me all of the time
I don't know what to do and I'm always in the dark
We're living in a powder keg and giving off sparks
I really need you tonight
Forever's gonna start tonight
Forever's gonna start tonight

Once upon a time I was falling in love
But now I'm only falling apart
There's nothing I can do
A total eclipse of the heart

Once upon a time there was light in my life
But now there's only love in the dark
Nothing I can say
A total eclipse of the heart

Turn around bright eyes, Turn around bright eyes
Turn around,
Every now and then I know you'll never be the boy you
always wanted to be
Turn around,
Every now and then I know you'll always be the only boy
who wanted me the way that I am
Turn around,
Every now and then I know there's no one in the
universe as magical and wonderful as you
Turn around,
Every now and then I know there's nothing any better,
there's nothing I just wouldn't do

Turn around bright eyes, every now and then I fall
apart
Turn around bright eyes, every now and then I fall
apart

And I need you now tonight
And I need you more than ever
And if you'll only hold me tight
We'll be holding on forever
And we'll only be making it right
Cause we'll never be wrong together
We can take it to the end of the line
Your love is like a shadow on me all of the time
I don't know what to do and I'm always in the dark
We're living in a powder keg and giving off sparks
I really need you tonight
Forever's gonna start tonight
Forever's gonna start tonight

Once upon a time I was falling in love

But now I'm only falling apart
There's nothing I can do
A total eclipse of the heart
Once upon a time there was light in my life
But now there's only love in the dark
Nothing I can say
A total eclipse of the heart
