Yeah guess I was back mother f*cker I'm back yeah
Guess I was back mother f*cker I'm back

Yeah listen
Now I'm a... liek my life depend it on it
My kids and my wife depend it on it
Everything in life I want it I own it
I can keep my feet up and relax if I want it too
But I'm back in the lab making my next murder move
Giving a mother something that going murder too
So they can celebrate when they make it the breaking
news
Niggas... when you're elevating your making moves
The last change to save game with different moves

Yeah guess I was back mother f*cker I'm back yeah
Guess I was back mother f*cker I'm back
Yeah listen
I'ma do this like my life depend it on it
My kidd and my wife depend it on it
Everything in life I want it I own it
I can keep my feet up and relax if I want it too
But I'm back in the lab making my next murder move
Giving a mother something that going murder too
So they can celebrate when they make it the breaking
news
Niggas... when you're elevating your making moves
The last change to save game with different rules
Make a nigga cold... niggas they got it losted
Niggas better be conscious, nigga better be softly
We aint' taking no losses... deals... office... keep the
niggas...
... shit look what them streets done to me

Hook:
In a stone cold world I'm living yeh
This is what you want yeah
What you make me
Got shoot to survive will I make it out
Got shoot... should I burn it down
Back is the wall I'ma get it off

Streets teach no mercy,
Look what it created a murderer
Just like the dj when I turn it up
Back is the wall I'ma get it off

Yeah I'm agte it off like the buzz taking abck to the
good
Watch the money... I'ma certify hustler
And I will go out the... what you expect oh money...
I make... playin the... they crumble
... in ym uncle so...
She probably never seen before... and bull bullets
Blew a few hundred thousands...
