You leave me like an addict, always wanting more
But when I break free the sirens sounds and call me
back to shore
The bottom of the ocean is the safest place to be
I still swim towards the surface just to breathe your
misery

I get so lost and so confused, I'm just so tired of bein'
used
I wish you'd just make up your mind, my sweet
unvalentine
I'm just so tired and so afraid that you might leave me
everyday
I wish you'd just make up your mind, my sweet
unvalentine

You run just like a rabbit, and I chase you like a fool
But this fool I hate, I can't forsake, this fools in love with
you
I'm (I wasting my time) hanging by your threads?
(Make up your mind) Cut these spider webs

I get so lost and so confused, I'm just so tired of bein'
used
I wish you'd just make up your mind, my sweet
unvalentine
I'm just so tired and so afraid that you might leave me
everyday
I wish you'd just make up your mind, my sweet
unvalentine

Say that you'll be mine
Cut me with your sweet caress, kill me with your
tenderness
I don't care what you do, as long as I'm with you

The bottom of the ocean is the safest place to be
I still swim towards the surface just to breathe your
misery

I get so lost and so confused, I'm just so tired of bein'
used

I wish you'd just make up your mind, my sweet
unvalentine
I'm just so tired and so afraid that you might leave me
everyday
I wish you'd just make up your mind, my sweet
unvalentine
I get so lost and so confused, I'm just so tired of bein'
used
I wish you'd just make up your mind, my sweet
unvalentine
