Spencer Pratt  
I'm A Celebrity (Get Me Out of Here)

I'm a celebrity .....get me out of here!!! (

Baby I get paid  
I don't volunteer  
I'm a celebrity get me out of here  
Get me out of here  
Get me out of here  
I'm a celebrity get me out of here

Baby I'm on tv  
I'm on the internet  
Been around the world and still I'm not finished yet

I'm a celebrity get me out of here  
Get me out of here  
Get me out of here

First tweet of the day  
I put my swag on  
dewy rags on (?)  
With the new tags on

Meanwhile you know how the swag goes  
Bentley's and Lambo's  
We ride superheroes with .....

I'm through driving into LA  
I'm back home to the palace .... ay  
top down  
get my tan on

I'm not you  
I don't need the tattoos  
All my ink is on my cheques

My rolex looks like some president Sh-t  
I've got a president wrist

And MTV made me president rich

Call me Senator Pratt  
I'm only tweetin' the facts  
Hit me at Spencer Pratt  
And I be tweetin' you back (come on)

Baby I get paid  
I don't volunteer  
I'm a celebrity get me out of here  
Get me out of here  
Get me out of here  
I'm a celebrity get me out of here

Baby I'm on the tv  
I'm on the internet  
Been around the world and still I'm not finished yet

I'm a celebrity get me out of here  
Get me out of here  
Get me out of here

America hates because the media loves me  
I'm so charged up they can't even unplug me  
S-stop Pratt, I'm back  
They don't hear me in da clubs  
This is ring tone rap

I'm on your Iphones  
Taking over Blackberries  
Me not famous  
Woah that's scary

Music is my world  
Television is my life  
I'm in the limelight  
And I love it like my wife

From the red carpet to the King of the jungle  
I'm holding down the peacock  
This summer won't fumble

Counting on the haters  
Everyday to keep me going  
Cause without the haters  
Baby I would be no one

Baby I get paid  
I don't volunteer  
I'm a celebrity get me out of here  
Get me out of here  
Get me out of here  
I'm a celebrity get me out of here

Baby I'm on the tv  
I'm on the internet  
Been around the world and still I'm not finished yet  
(nope)

I'm a celebrity get me out of here (ya)  
Get me out of here (ya)  
Get me out of here (ya)

This place is gettin boring I don't have time for it  
I'm a celebrity and I'm about to make a run for it (run)  
Get me out of here or we gonna have a problem here  
Get me out of here or we gonna have a problem here

I'm a celebrity  
Five star everything  
My money is attached to me  
Just like my wedding ring (ring)  
Get me out of here or we gonna have a problem here  
Get me out of here or we gonna have a problem here

Baby I get paid  
I don't volunteer  
I'm a celebrity get me out of here  
Get me out of here  
Get me out of here  
I'm a celebrity get me out of here

Baby I'm on the tv  
I'm on the internet  
Been around the world and still I'm not finished yet  
(nope)

I'm a celebrity get me out of here (ya)  
Get me out of here (ya)  
Get me out of here (ya)

Ya-ya-ya-ya-ya-ya
