Chorus:

Niggers always fighting in the gangsta...  
But they ain't really broke...  
What a gangsta...  
What the hustlers serve,  
What it got my back and it got my herb  
Got the... and the...  
Represent one love nigger, this I see,  
What the gangstas,... nigger is all good,  
Nigger rap your block, nigger rap your hood!

Had a studio on...  
Right around the corner,  
Down the block you can get your herb  
Niggers used to serve, used to...  
Who's the... cracking the pillow pot?  
Do I really got to tell 'em about the... RTD?  
... I know every block in my city like the back of my  
hand,  
When niggers shooting like back in...  
... cars in LA,  
Blood... on my essays, caliente!  
Lets' celebrate like the... parade,...  
My nigger I was born to race,  
... claiming LA!

Chorus:

Niggers always fighting in the gangsta...  
But they ain't really broke...  
What a gangsta...  
What the hustlers serve,  
What it got my back and it got my herb  
Got the... and the...  
Represent one love nigger, this I see,  
What the gangstas,... nigger is all good,  
Nigger rap your block, nigger rap your hood!

What the gangsta's at, over there  
You beat me!  
... get together for a picnic,  
Gang unit... smash up,... some bitch,

What a gangsta's... on a blue side...  
Herb... hanging out, about to come...  
... for a celebration,  
... a day for initiation.

What the gangsta's at?  
... young unit, keep the...  
... rapping where you come from,  
... it's the project, don't come!  
... it's the project, don't come  
Where you at you got to choose...  
Generation,... territory gang affiliation,

Chorus:  
Niggers always fighting in the gangsta...  
But they ain't really broke...  
What a gangsta...  
What the hustlers serve,  
What it got my back and it got my herb  
Got the... and the...  
Represent one love nigger, this I see,  
What the gangstas,... nigger is all good,  
Nigger rap your block, nigger rap your hood!

My pops brought... into the block,  
Infiltrate h line, make it...  
Just lift rocks,  
From the kitchen...  
No lunch box!  
Surrounded by... and double...  
Watch for the squad... playing rap.  
You know... only cover... when they came back,  
Pops got locked up she changed...  
Moms, moved me out the hood into the new ghetto,  
West side jungles, black rebels.  
Stone rangers... I'm no stranger!...

Chorus:  
Niggers always fighting in the gangsta...  
But they ain't really broke...  
What a gangsta...  
What the hustlers serve,  
What it got my back and it got my herb  
Got the... and the...  
Represent one love nigger, this I see,  
What the gangstas,... nigger is all good,  
Nigger rap your block, nigger rap your hood!
