Desolate loving in your eyes  
You used an' made my life so sweet  
Step out like a god found child  
I saw your eyes across the street

Who would be the fool to take you  
Be more than just kind  
Step into a life of maybe  
Love is hard to find

In the church of the poison mind (x4)

[Spoken:]

+What's going on? They're waiting for ya out there!  
I can't go back out there, girl.  
+Oh don't be an idiot.  
I can't do this+You must!  
I can't!  
+(slaps) Now get out there, bitch, and sing!

Every day is like survival,

you're my lover, not my rival.  
Every day is like survival,  
you're my lover, not my rival.

Karma karma karma karma karma chameleon,  
you come and go, you come and go.  
Loving would be easy if your colours were like my  
dream,  
red gold and green, red gold and green.

[Spoken:]

That's a dreadful song, it will never get anywhere.

red gold and green

[Screaming in the background:]

I love you George!  
You're the best, George!  
You're beautiful!
