MARILYN

Beautiful child in razor heels  
Sashays into the room  
All the boys, they catch their breath  
And the mirrors swoon  
Now she's running down the hallway  
Headscarf and a Hollywood smile  
She's got a dagger in your back  
And a killer style  
Love and hate, it's all the same my way  
Just another twisted game to play  
Evil, child star, movie queen  
Evil, sweet charm, Mabeline  
Evil, no one gets the better of me  
Your father's rage and a cocktail dress

With a bullet proof heart  
Why is your life in such a mess  
If you're so damn smart  
Judy Garland, Jimmy Dean  
You tragedy queen  
Give me fat girls, give me rough boys  
Give me what I dream  
Love and hate, it's all the same my way  
Just another twisted game to play  
Evil, child star, movie queen  
Evil, sweet charm, Mabeline  
Evil, such a pretty boy I've never seen.
