LEIGH BOWERY

LEIGH

Mirror, mirror on the wall, who's the biggest freak of all?

LEIGH

I've had a man or two  
In fact I've had a few  
In dark and dingy places  
I've fallen to my knees  
And begged a stranger please  
A world of lust and lipstick traces  
I've had lawyers, doctors, judges and thugs  
And I never, never, never ask their names  
Hungry faces in the dark  
Dirty deeds in the park  
And before you ask  
I feel no shame  
Fat, thin, old, young, tiny meat, well hung  
White, black, half-chat  
Did you see the size of that  
Rough, shy, Greek, Thai  
Hairy, scary, straight or bi  
I'll have them all  
I'll have you all

I never fall in love

I just can't get enough  
Of boys with pretty faces  
Warm bed or Russell Square  
A cottage here or there  
Those charming, old familiar places  
I've had lawyers, doctors, judges and thugs  
And I never, never, never ask their names  
Hungry faces in the dark  
Dirty deeds in the park  
And before you ask  
I feel no shame

LEIGH, BILLY AND PHILIP

Fat, thin, old, young, tiny meat, well hung  
White, black, half-chat  
Did you see the size of that Rough, shy, Greek, Thai  
Hairy, scary, straight or bi

LEIGH

I'll have you all

I'll have you all

I probably have anyway!
