BILLY AND KIM

KIM

Who can explain the attraction
I wouldn't know where to begin
Love can be faltered or founded
On the slightest thing

BILLY

I can't explain the attraction
I don't know where to start
Love's a peculiar feeling
It's a question mark

BOTH

But if you stick around
You might find me complicated
I'm difficult at times
But I'm worth it
Really worth it
Don't get too close
Don't be afraid
Don't say too much
If you don't mean it
I can be kind
I can be cold
I've got a heart
Haven't you seen it

KIM

I can't explain the attraction
You're nothing special to me

BILLY

You've got the kind of beauty
That the eye can't see

BOTH

But if you stick around
You might find me complicated
I'm difficult at times

But I'm worth it
Really worth it
Don't get too close
Don't be afraid
Don't say too much
If you don't mean it
I can be kind
I can be cold
I've got a heart
Haven't you seen it
Don't get too close
Don't be afraid
Don't say too much
If you don't mean it
I can be kind
I can be cold
I've got a heart

BILLY
Haven't you seen it...

KIM
Maybe you've seen it...
