Euan Morton:

Looking at life my friends

I feel confusion

A working progress or just a mystery

Headless chickens

Sequins dripping

Euan Morton/Luke Evans:

It was all

All about you and me

Now who do we think we are?

Sad old clowns

Two bright shining stars

Euan Morton:

There was method in our madness

Luke Evans:

There's a rumour in the truth

Euan Morton/Luke Evans:

There was love

Euan Morton:

But where's the proof

Euan Morton/Luke Evans:

Ooh, ooh

Euan Morton:

Looking at you my friend

Silent and watching

I see the humour and the tragedy

Luke Evans:

Hearts are ticking

Something's missing

Euan Morton/Luke Evans:

It was all

All about you and me

Luke Evans:

Always together

Euan Evans:

Always alone

Luke Evans:

Frightened of silence

Euan Morton:

Glued to the phone

Luke Evans:

First you see me  
Euan Morton:  
Then you don't  
Luke Evans:  
Who's the victim  
Euan Morton:  
Where's the joke  
Euan Morton/Luke Evans:  
Now, how do we thing we are?  
Sad old clowns  
Two bright shining stars  
Luke Evans:  
There was method in our madness  
Euan Morton:  
There's a rumour in the truth  
Euan Morton/Luke Evans:  
There was love  
Euan Morton:  
But whats the use
