I just can't take it anymore  
I've got to say what I want to say

At the bus stop on the way home, in the evening twilight  
I say bye bye bye to your sad looking back

You've got to show me your Fighting Pose, oh! Oh!

A world like the one I dreamt of  
Where everyday life is peaceful, and without conflict

But the truth is, those days are trouble  
And sometimes those kinds of Rolling days are  
frustrating

Isn't rolling great?  
During those times, I smile for you

From inside the bus that I was rode on  
I could see your small smile

I'm depending on you, oh! Oh!

A sweet love like the one I dreamt of  
Lovers search for a hiding place

But the truth is, as the days that I can't see you  
Continue on, I'm believing in those rolling days

Stumbling, way to go!!  
Yeah!! Yeah!! A rolling star, covered in mud!!

I want to smile as much as possible  
But in order to protect myself, there's no helping it, is  
there?

Certainly, lies don't have that sort of a meaning  
All my loving  
And if that's the case, I don't need to lie

A world like the one I dreamt of

Where everyday life is peaceful, and without conflict

But the truth is, those days are trouble  
And sometimes those kinds of Rolling days are  
frustrating

... Yes, I understand  
Stumbling, way to go!!  
Yeah!! Yeah!! A rolling star, covered in mud!!
