Tryna make it through the wall  
Tryna make it through the wall  
But you can see me if you're tall  
But you can see me if you're tall

Tryna make it through the wall  
Tryna make it through the wall  
But you can see me if you're tall  
But you can see me if you're tall  
Lookin' over

Tryna make it through the wall  
Tryna make it through the wall  
But you can see me if you're tall  
But you can see me if you're tall

Tryna make it through the wall  
Tryna make it through the wall  
You can see me if you're tall  
You can see me if you're tall  
Lookin' over

And I know that I'm in space  
And I know that it's not real  
It's just the way that I feel  
It's just the way that I feel

And I know that I'm in space  
And I know that it's not real  
It's just the way that I feel  
It's just the way that I feel  
Lookin' over

Tryna make it through the wall  
Tryna make it through the wall  
You can see me if you're tall  
You can see me if you're tall

Tryna make it through the wall  
Tryna make it through the wall  
But you can see me if you're tall  
Well, if you're tall
