in the bleak midwinter

stormy winds may blow

earth stood hard as iron

water like a stone

snow had fallen snow on snow

snow, on snow, on snow

in the bleak midwinter

long, long ago

in the deep of winter

nestled in the cold

through icicles reflecting

take comfort and behold

snow is culling, hushed and lulled

loving hearts bestow

in the peak of winter

hold on a don't let go

in the bleak midwinter

stormy winds may blow

earth stood hard as iron

water like a stone

snow had fallen snow on snow

snow, on snow, on snow

in the bleak midwinter

long, long ago
