Take to the highway won't you lend me your name  
Your way and my way seem to be one and the same  
Mamma don't understand it  
She wants to know where the boys been  
I'd have to be some kind of natural born fool  
To want to pass that way again  
But I could feel it  
On a country road  
Sail on home to Jesus won't you good girls and boys  
I'm all in pieces, you can have your own choice  
'cause I can see a heavenly band full of angels  
coming to set me free  
said I don't know nothing 'bout the why or when  
But I can tell that it's bound to be  
Because I could feel it, now  
On a country road  
I guess my feet know where they want me to go

Walking on a country road  
walk on down one more time if you will  
Take to the highway won't you lend me your name  
Your way and my way seem to be one and the same,  
child  
Mamma she don't understand it  
She wants to know where the boys been  
I'd have to be some kind of natural born fool  
To want to pass that way again  
But I could feel it, yes sir  
walking on a country road  
Walk on down, walk on down, walk on down  
Walk on down, walk on down a country road  
country road  
you can feel it, you can feel it,  
you can feel it too on a country road
