Took my baby to the hop last night  
What to my surprise  
When we got there she hit me with the news  
Right between the eyes  
She said she couldn't do the cha, cha, cha...

I told her not to worry now  
They'd play some other dance  
But we sat there for an hour and a half  
And we never got a chance  
'Cause every song they played was the cha, cha, cha...

I told her not to worry  
There's still one thing we can do  
Let me take you by your hand tonight  
I want to teach this dance to you  
I taught my baby how to cha, cha, cha...

We kept on dancing for an hour or two  
What do you think I'd see  
We hadn't practiced for a time or two around  
She was doing it better than me  
You know my baby loves to cha, cha, cha...

Everybody loves to cha, cha, cha...  
Little children love to cha, cha, cha  
Everybody loves to cha, cha, cha...  
Sam Cooke himself in the midnight hour  
Everybody loves to cha, cha, cha
