Way down here you need a reason to move  
Feel a fool running your stateside games  
Lose your load, leave your mind behind, Baby James

Oh, Mexico  
It sounds so simple I just got to go  
The sun's so hot I forgot to go home  
Guess I'll have to go now

"Americano" got the sleepy eye  
But his body's still shaking like a live wire  
Sleepy "Seorita" with the eyes on fire

Oh, Mexico  
It sounds so sweet with the sun sinking low  
Moon's so bright like to light up the night  
Make everything all right

Baby's hungry and the money's all gone  
The folks back home don't want to talk on the phone  
She gets a long letter, sends back a postcard; times  
are hard

Oh, down in Mexico  
I never really been so I don't really know  
Oh, Mexico  
I guess I'll have to go

Oh, Mexico  
I never really been but I'd sure like to go  
Oh, Mexico  
I guess I'll have to go now
