"You Can Close Your Eyes" / James Taylor

Well the sun is surely sinking down,
but the moon is slowly rising.
So this old world must still be spinning around,
and I still love you.

CHORUS:

So close your eyes;
you can close your eyes, it's all right.
I don't know no love songs,
and I can't sing the blues any more.
But I can sing this song,
and you can sing this song
when I'm gone.
It won't be long before another day.

We're gonna have a good time.
And no one's gonna take that time away.
You can stay as long as you like.
(Chorus)

I also noticed a single listing of "taylor.james" in the

this can probably be removed.
