Hands down, the world's biggest let down
Since Juliet and Romeo
When will I learn, will I know how to say no?
Every wrong I turn into a love song
But I don't need to look I just need to see

YOU PUT ME THROUGH PAIN WHEN I PUT YOU
THROUGH LOVE
I TOLD YOU MY NAME WHEN YOU TOLD ME A LIE
IT MAKES ME ASHAMED, MAKES ME WONDER
WHY I EVER GAVE A DAMN ABOUT YOU

YOU PUT ME THROUGH FIRE WHEN I GAVE YOU A
FLAME
LOVER OR LIAR, WELL, IT'S ONE AND THE SAME
IT MAKES ME ASHAMED, MAKES ME WONDER
WHY I EVER GAVE A DAMN ABOUT YOU

And now, after the world's biggest let down
It doesn't matter where we go
This is a dead-end street now don't you know

Last night we got into a big fight
But nobody was wrong and nobody was right

I PUT YOU THROUGH PAIN WHEN YOU PUT ME
THROUGH LOVE
YOU TOLD ME YOUR NAME WHEN I TOLD YOU A LIE
YOU SHOULD BE ASHAMED, YOU SHOULD WONDER
WHY YOU EVER GAVE A DAMN ABOUT ME

I PUT YOU THROUGH FIRE WHEN YOU GAVE A FLAME
LOVER OR LIAR, WELL, IT'S ONE AND THE SAME
YOU SHOULD BE ASHAMED, YOU SHOULD WONDER
WHY YOU EVER GAVE A DAMN ABOUT ME

It takes a moon for a man to go
It takes two to tango
But maybe you will dance better alone
