I've just tried to find my place in this world (this world)
I'm just trying to go beyond what I know (what I know)
I'm just trying to stay focus,
I'm just trying to stay focused (stay focused)
I'm just trying to be useful, the best me that I can be!
(So I) keep, keep, keep moving
I keep it moving!
(It's no other way so).. I just do it
(It's no other way so).. I just do it
Till I die I'mma try to be (the best thing that I can be)

See, I'm a ..in my environment
Moms worked hard, she was having...
pops did too, like every day!
He loves sniffing coke and Mary J
But nevertheless I grew up in the happy home
I had no idea that it was the ghetto till I damn grown
And even though I'm sometimes struggle, but I'm
almost on
I put my life, my blood in tears, all in this microphone!
Hated my heart, I let it fade out
Soaked up a little game, I found my way out
They say crime pay, but I pay, take the safe round
Pray God pardons mistakes cause the pains now!
..getting my piece of the pot...
With street life the music came by
...that I survive, with my neighbourhood mine
But I'm already gone!

I was trying to find my flags in this world
I was trying to go beyond what I know
I was trying to stay focused
I'm just trying to stay focused
I'm just trying to be useful, the best me that I can be!
(So I) keep, keep, keep moving
I keep it moving!
(It's no other way so).. I just do it
(It's no other way so).. I just do it
Till I die I'mma try to be
(the best thing that I can be)

I won't let 'em no
I ain't gonna let 'em, no
I won't let 'em no
I ain't gonna let 'em, no
Bring me down!
I'll be a damn fool for that
I'm too blessed, too dope, too cool for that
I've been through a lot, I didn't see it all
I keep flying, I ain't coming down!
And I ain't tripping, no, I ain't tripping!

It's no other way, so I just do it
It's no other way, so I just do it
Till I die, I'mma try to face...
The best man that I can be, yeah!
