Oh, hey!
No, no, no
Yeah, saying what you want , man
Well, that creates us insane
Similar to the same shit that kill..
Niggers on the same thing,
I'm not, I'm at the top of the list,
Getting paid when I swallow a fifth,
Critics can swallow a dick.
So this is for the...
Saying plus, saying..
Still parallel to none
Cause everything I .. left side of my brain
I'll be now out of space,
I'm a fifty one, fifty type, nigger with a..
..is getting lifted on my...
Feel I'm getting sick with no prescription
So I got the game, gave it all
Getting paid to say the...
Front ... look how niggers lie about
..eye for eye and two for two
Bitches know I am the truth,
Fucking mothers and daughters too,
Started young, I'm on the move, survivors on a hustle,
too!
... your time!

Chorus:
Out of my mind, out of my head
Trying to get me going insane
I need lithium, take lithium
Just another day, so I cry
Get a bottle spilled one time
I need lithium, take lithium

Alienated, my equilibrium is soft
These niggers is soft from the...
It's Nothing abbreviated.
I make this for my enemies to hate it,
Due to heavy rotation my name is exclamated,
So you gotta love me, so you gotta love me

Be super bad these niggers make loving.
Falls ... it's the... muffins
Come here, young and let me fix your buttons!
In life he chucks you like you can use a couple bucks,

I show you how to do this cause it's...
The king and queen edition, only my bitch
You should have seen me looking,
Carrying less about the..
As long as the women feeling 'em!
Crazy like strait jackets, I stay...
..while you're stuck in the same trap.
Busting you saying craps,
My vocabulary, I should call you coke, like beautiful

No squeeze.. you know I'm from the... game!
Lyrics .. my own shit, says the young age....

Chorus:

Out of my mind, out of my head
Trying to get me going insane
I need lithium, take lithium
Just another day, so I cry
Get a bottle spilled one time
I need lithium, take lithium

Who wanna ...
You and my crosses, darling
Got 'em locked in, cautious.
Small marks, man, with.. dearly departed
Like a .. in heaven, falling.
Envy us... cause touches what...
Condemned to everlasting destruction
Wait! I'm gonna laugh, I'm out subject!
Tit's the class of the titans, when I'm writing
Feel like... holding the... lightning,
Strike at the speed of sight frightening
Check his blood line,
Where he'd be taken this type of enlightenment?
Illumines, Confucius and new sins
And under my lens is two...
Over all the wisdom man is foolishness,
I'm just ... when I'll be doing it!
..and been a drill,
Twelve hundred milligrams...
Uh, professor x on ecstasy
Extraterrestrial weaponry less proceed,
I got a slowly ..thinking at a different speed
Niggers never get a chance to breath!

Chorus:
Out of my mind, out of my head
Trying to get me going insane
I need lithium, take lithium
Just another day, so I cry
Get a bottle spilled one time
I need lithium, take lithium
