Hey you
I saw you standing over there
and I want it to spell your hair
I couldn't resist to ..your hair
and maybe you can give me your number
'cause we, we might just become lovers yeah

Chorus:
For one night, you can be my wife
I can be your man
I know you understand
let me take your hand
take you to the top and I just don't stop
grow you all, my Louis Lane

my Louis Lane

So she came to the room like what it do
gotta have find attack with some remy too
is a blunt on the dresser kind ..in the right room
little mama was a ..what it do

start the.. back and thinking what she did
she..up and she..and scar down too
I take off my ..once now we do what we do
I started looking at that ..kissing the tears
licking the p**y I proceed to get up play with the..
..so I ain't even freak

Chorus:
For one night, you can be my wife
I can be your man
I know you understand
let me take your hand
take you to the top and I just don't stop
grow you all, my Louis Lane
