ft. Erk Tha Jerk

I just wanna fuck you right here
Can I fuck you right here
I wanna fuck you right here
Right here

I just wanna fuck you right here
In the car, on the bar,
I just wanna fuck you right here
In the car, on the way to the crib
I just wanna fuck you right here
In the parking lot, on your lunch break
I just wanna fuck you right here
Nah I don't care wherever we are
Girl I just wanna fuck you right here

I just want you to know, you are just so beautiful
And that's not the beautifuls talking baby
Ooh your sex appeal, your spandex and heels
We ain't gotta go nowhere, we don't need a room

I just wanna fuck you right here
In the car, on the bar,
I just wanna fuck you right here
In the car, on the way to the crib
I just wanna fuck you right here
In the parking lot, on your lunch break
I just wanna fuck you right here
Nah I don't care wherever we are
Girl I just wanna fuck you right here

And I ain't tripping where we at
Pull them panties on the side, let me break your back
Bend over from the back let me taste the cat
I ain't tripping, we can fuck, in the back of the lot
Let you come a few times cause you got it like that
, I slap
, on your neck, kiss your lips and I'm hugging you too
It's just me and you, me and you

I just wanna fuck you right here
, on your lunch break
I just wanna fuck you right here
I just wanna fuck you right here
I just wanna fuck you right here.
