You're the only one who's ever heard my song  
I might be lonely now but I won't be lonely long  
Take a look at me, baby, tell me, what do you see?  
Take a look at me, baby, you're lookin' at the brand  
new me

I'm like a total stranger knockin' at your door  
No need to worry 'bout the way I was before  
It's a new love story so read every line  
You be the judge and the jury, I'm guilty of the crime

I'm guilty of, guilty of the crime  
Of lovin' you, baby  
Guilty of, guilty of the crime

I'm savin' all my lovin' just for you  
'Cause there's nothin' more that I would rather do  
It's a new love story, gotta read every line  
You be the judge and the jury, I'm guilty of the crime

I'm guilty of, guilty of the crime  
Of lovin' you, baby  
Guilty of, guilty of the crime  
Of lovin' you, baby

Guilty of, guilty of the crime  
Yes, I'm guilty of, guilty of the crime  
Of lovin' you, lovin' you

Guilty of, yeah, guilty of the crime  
Yes, I'm guilty of, yeah, guilty of the crime
