There's a hole in the world tonight  
There's a cloud of fear and sorrow  
There's a hole in the world tonight  
Don't let there be a hole in the world tomorrow

They say that anger is just love disappointed  
They say that love is just a state of mind  
But all this fighting over who is anointed  
Oh, how can people be so blind?

There's a hole in the world tonight  
There's a cloud of fear and sorrow  
There's a hole in the world tonight  
Don't let there be a hole in the world tomorrow

Oh, they tell me there's a place over yonder  
Cool water running through the burning sand  
Until we learn to love one another  
We will never reach the promised land

There's a hole in the world tonight  
There's a cloud of fear and sorrow  
There's a hole in the world tonight  
Don't let there be a hole in the world tomorrow

(There's a hole in the world tonight)  
They say that anger is just love disappointed  
(There's a cloud of fear and sorrow)  
They say that love is just a state of mind  
(There's a hole in the world tonight)  
But all this fighting over who will be anointed  
(Don't let there be a hole in the world tomorrow)  
Oh, how can people be so blind?

There's a hole in the world tonight  
Hole in the world  
There's a cloud of fear and sorrow  
Fear and sorrow  
There's a hole in the world tonight  
Don't let there be a hole in the world tomorrow

There's a hole in the world tonight

There's a hole in the world  
(There's a cloud of fear and sorrow)  
A cloud of fear and sorrow  
There's a hole in the world tonight  
(Don't let there be a hole in the world tomorrow)  
Don't let there be a hole in the world

There's a hole in the world tonight  
(There's a cloud of fear and sorrow)  
Oh there's a cloud of fear and sorrow  
There's a hole in the world tonight  
(There's a hole in the world tonight)  
Don't let there be a hole in the world tomorrow

There's a hole in the world tonight  
There's a cloud of fear and sorrow  
There's a hole in the world tonight  
Don't let there be a hole in the world tomorrow

There's a hole in the world tonight  
There's a cloud of fear and sorrow  
There's a hole in the world tonight
