Like a bluebird with his heart removed  
Lonely as a train  
I've run just as far as I can run

If I never see the good old days  
Shinin' in the sun  
I'll be doin' fine and then some

How long, how long  
Woman will you weep?  
How long, how long  
Rock yourself to sleep

Well I been doin' time in a lonesome prison  
Where the sun don't shine  
Just outside, the freedom river runs

Out there in that shiny night  
With bloodhounds on your mind  
Don't you know it's the same sad situation?

How long, how long  
Woman will you weep?  
How long, how long  
Rock yourself to sleep

Everybody feels alright you know  
I heard some poor fool say, somebody, ooo  
Everyone is out there on the loose

Well I wish I lived in the land of fools  
No one knew my name  
But what you get is not quite what you choose

Tell me, how long, how long  
Woman will you weep?  
How long, how long  
Rock yourself to sleep

How long, how long  
Muddy River runs so deep  
How long, how long

Good night baby, rock yourself to sleep  
Sleep tight baby, rock yourself to sleep  
B-b-b-bye bye baby, rock yourself to sleep
