It's not the first time that I
Had the sense that somethin's wrong
I'm old enough to know
That things don't always work out like they should

I know you're tryin' hard
To break it gently to me now
But there's no easy way
To tell it like it is so, baby

I don't want to hear anymore
You don't need to tell me it's over
I've been here before

I've seen that look before
I know it well, it comes as no surprise
You've been avoidin' me
But now you want to talk it over

Before you take my hand
And tell me softly in a whisper
There's no need to explain
I've read the book, I know how this all ends

I don't want to hear anymore
You don't need to tell me it's over
I've been here before

I won't ask you to stay
I won't stand in your way
Look me right in the eye
Let me walk away with my head high

If there's some other guy
I don't need to know why

But I don't want to hear anymore
You don't need to tell me it's over
I've been here before

I won't ask you to stay
I won't stand in your way

And I don't want to hear anymore
No, no, baby, I don't want to hear anymore
