James Dean, James Dean  
I know just what you mean  
James Dean, you said it all so clean  
And I know my life would look all right  
If I could see it on the silver screen

You were the low-down rebel if there ever was  
Even if you had no cause  
James Dean, you said it all so clean  
And I know my life would look all right  
If I could see it on the silver screen

We'll talk about a low-down bad refrigerator  
You were just too cool for school  
Sock hop, soda pop, basketball and auto shop  
The only thing that got you off was breakin' all the rules

James Dean, James Dean  
So hungry and so lean  
James Dean, you said it all so clean  
And I know my life would look all right  
If I could see it on the silver screen

Little James Dean up on the screen  
Wonderin' who he might be  
Along came a Spyder and picked up a rider  
Took him down the road to eternity

James Dean, James Dean  
You bought it sight unseen  
James Dean, James Dean  
You bought it sight unseen

You were too fast to live, too young to die, bye bye  
You were too fast to live, too young to die, bye bye  
Bye bye

Too fast to live, too young to die, bye bye  
Too fast to live, too young to die, bye bye  
Too fast to live, too young to die, bye bye  
Too fast to live, too young to die

Too fast to live, too young to die  
Too fast to live, too young to die  
(Bye bye bye)  
Too fast to live, too young to die  
(Oh James Dean)  
Too fast to live, too young to die  
Bye bye!
