I like to go out every now and then  
I can't wait to do it again  
But I haven't had the time lately  
I like to step out every once in a while  
I kind of like to do it in style  
I haven't had the time lately

Lately I've been stayin' at home  
Stayin' at home, stayin' at home  
Workin' the crosswords, turn off the phone  
Turn off the phone, turn off the phone

And I dream I'm on vacation  
'Cause I like the way that sounds  
It's a perfect occupation for me  
I don't mind bein' by myself  
If there's no one else around  
It's the last good time in town

Well, I could stand up straight, get a real job  
Stay up late with the same old mob  
But it hasn't crossed my mind lately  
Put on a suit, work downtown  
Moon come up when the sun goes down  
No, I haven't had the time lately

Lately I've been stayin' at home  
Stayin' at home, stayin' at home  
Closin' the curtains, play jazz on trombone  
Jazz on trombone, jazz on trombone

And I dream I'm on vacation  
No, you won't see me around  
It's a perfect situation for me  
I don't mind bein' by myself  
'Cause I know you'll come on down  
It's the last good time in town

Lately I've been stayin' at home  
Stayin' at home, stayin' at home  
Workin' the crosswords, turn off the phone  
Turn off the phone, turn off the phone

And I dream I'm on vacation  
'Cause I like the way that sounds  
It's a perfect occupation for me, yes, it is  
I don't mind bein' by myself  
If you don't see me around  
It's the last good time, last good time in town
