There's talk on the street, it sounds so familiar
Great expectations, everybody's watching you
People you meet they all seem to know you
Even your old friends treat you like you're something
new

Johnny come lately, the new kid in town
Everybody loves you so don't let them down

You look in her eyes, the music begins to play
Hopeless romantics, here we go again
But after a while you're looking the other way
It's those restless hearts that never mend

Johnny come lately, the new kid in town
Will she still love you when you're not around?

There's so many things you should have told her
But night after night you're willing to hold her, just hold
her
Tears on your shoulder

There's talk on the street, it's there to remind you
That it doesn't really matter which side you're on
You're walking away and they're talking behind you
They will never forget you till somebody new comes
along

Where you been lately? There's a new kid in town
Everybody loves him, don't they?
And he's holding her and you're still around, oh my my

There's a new kid in town
Just another new kid in town

Everybody's talking 'bout the new kid in town
Everybody's walking like the new kid in town

There's a new kid in town
I don't want to hear it
There's a new kid in town
I don't want to hear it

There's a new kid in town
There's a new kid in town

There's a new kid in town
Everybody's talking
There's a new kid in town
People started walking
There's a new kid in town
There's a new kid in town
There's a new kid in town
