One of these nights  
One of these crazy old nights  
We're gonna find out, pretty mama  
What turns on your lights

The full moon is calling, the fever is high  
And the wicked wind whispers and moans  
You got your demons, you got desires  
Well, I got a few of my own

Ooo, someone to be kind to  
In between the dark and the light  
Ooo, coming right behind you  
Swear I'm gonna find you  
One of these nights

One of these dreams  
One of these lost and lonely dreams now  
We're gonna find one  
One that really screams

I've been searching for the daughter of the Devil  
himself  
I've been searching for an Angel in white  
I've been waiting for a woman who's a little of both  
And I can feel her but she's nowhere in sight

Ooo, loneliness will blind you  
In between the wrong and the right  
Ooo, coming right behind you  
Swear I'm gonna find you  
One of these nights

(One of these nights)  
Ooo, in between the dark and the light  
Coming right behind you  
Swear I'm gonna find you  
Get ya baby one of these nights

(One of these nights)  
(One of these nights)  
I can feel it, I can feel it

(One of these nights)  
Coming right behind you  
Swear I'm gonna find you now  
(One of these nights)  
It gets so dark, it's so dark and all alone

(One of these nights)  
One of these crazy, crazy, crazy nights  
(One of these nights)  
Swear I'm gonna find you  
Coming right behind you  
(One of these nights)

(One of these nights)  
I wanna say, aah  
(One of these nights)  
One of these, one of these  
(One of these nights)  
Coming right behind you  
Swear I'm gonna find you  
(One of these nights)
